Meena Game

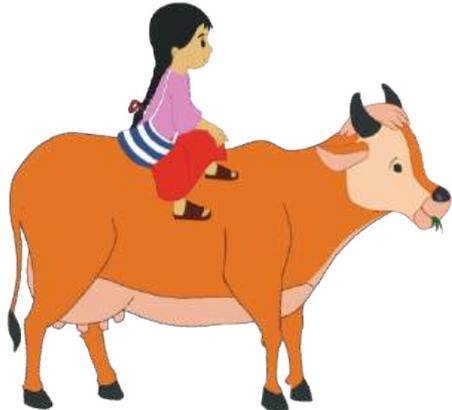

Meena Game

is a video game for the children of South Asia. This game is mainly developed to raise awareness and promote child rights in the Indian subcontinent. But its popularity has spread beyond this region all over the world

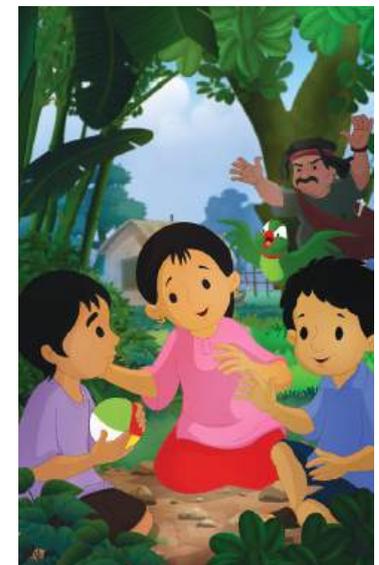

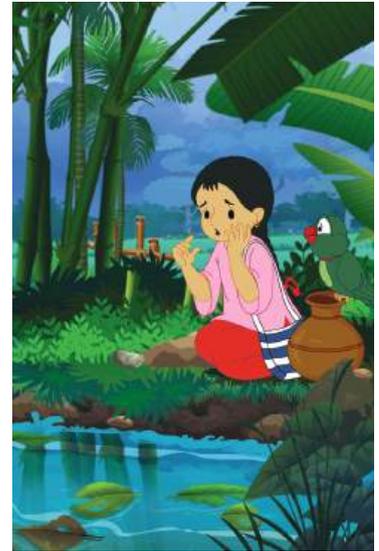

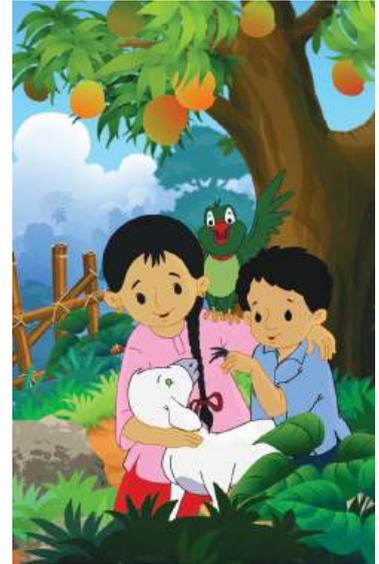

Meena Game

Meena Game

Meena Game 2

The theme of **Meena Game 2** is regarding newborn care. The game is about being responsible. As a first child, Meena takes care of her family and mother in this phase. As a gamer, you are the main character, Meena, to face the tasks and challenges UNICEF made a great decision to develop this game in 3D along with Riseup Labs.

Blackjack

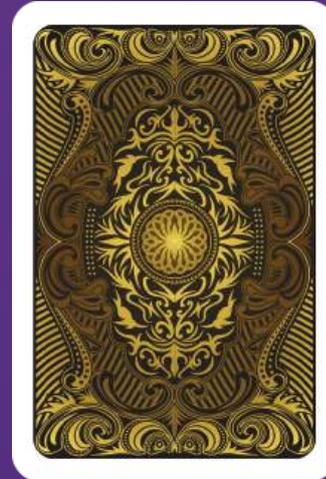

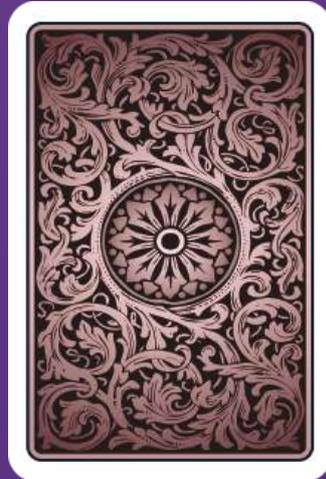

Blackjack 21 Classic Card Game

Blackjack is a game also known as Twenty-One. Like other casino games it has 52 cards in a deck with no jokers. The rules are simple with trilling strategies. At some point the game also is based on luck; the odds are sometimes in that player's favor to win.

Blackjack

Crazy Slots

Crazy Slots is a Royal Casino Game. It is the ultimate destination for slot machine enthusiasts who seek an exhilarating and captivating gaming experience. Every spin of the Crazy Slot game is infused with anticipation and the potential for massive rewards.

Droid Warfare

Droid Warfare

Treasure Wars

Treasure Wars is a fantastic game if you have a hunger for winning! Jump right into the top-down shooter experience and find the Treasure. Keep it till to the last, and the Treasure is yours in real life. Those might be a bundle data pack, burger, pizza, mobile handsets, etc. In the game, you have to collect some necessary Battle equipment right after starting the game.

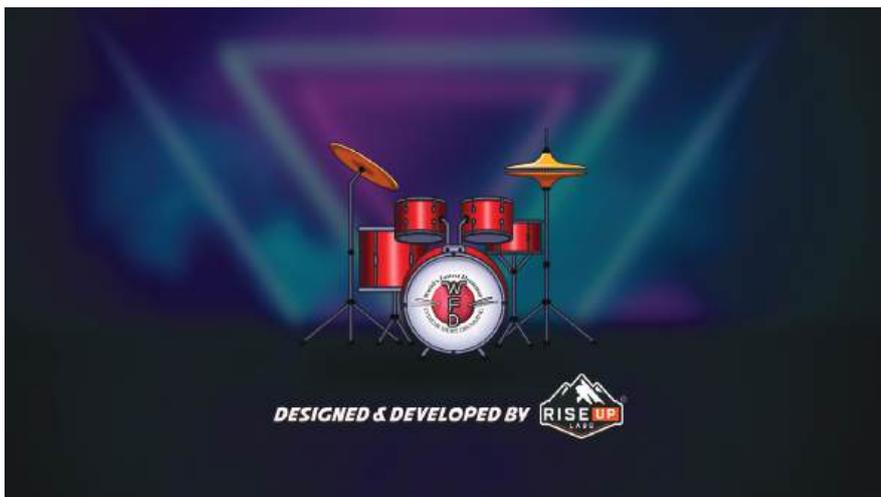

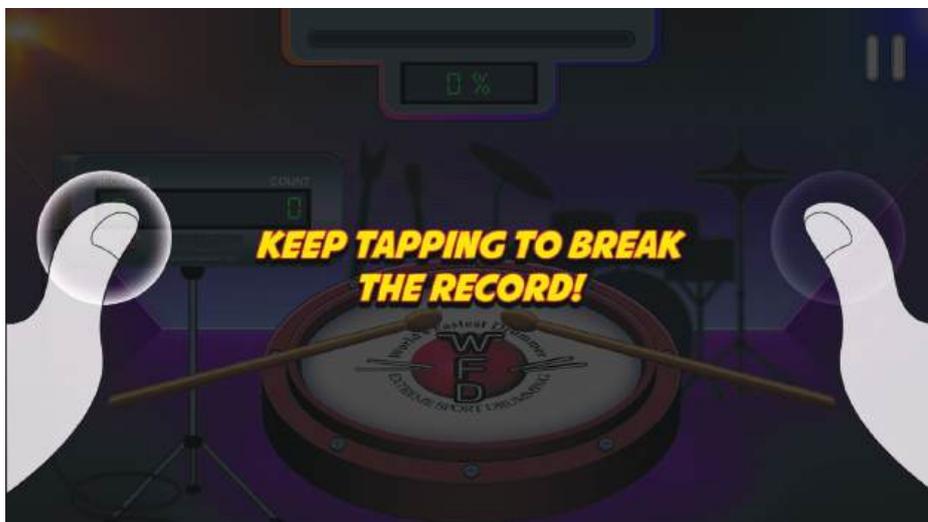

World's Fastest Drummer

Game development can be a fast-paced and highly demanding task. It is even more so if the game's name is 'World's Fastest Drummer.' Riseup Labs not only met all these demands, milestones and time-lines but exceeded my expectations in every way. I cherish our long-term relationship with Riseup Labs, and given a chance, I know you will too!
